

Attention: Senior and Elderly Residents

*** Request for Contact ***

From a Cherryhill Senior Advocates Committee Member

The **Cherryhill Senior Advocates Committee** seeks to enhance the connections within our neighborhood to support our seniors. It's what good neighbors do!

Those who are elderly or with disability are especially vulnerable during times of disaster or emergency when family or caregivers are not on hand to help. Even during routine activities, there are ways that neighbors may be able to offer support and help you to connect with services in the community.

If you, or someone you know in Cherryhill, would like to talk with a Cherryhill Senior Advocates committee member about ways your community or neighbors might be able to give you a little extra support, please know that we want to hear from you.

Please tell us how we can contact you:
