

WHO WE ARE

Cherryhill Neighborhood Association (CNA) was established with the City of Sunnyvale in 2008 as a way to improve our neighborhood experience and facilitate communication with the City. Our registered neighborhood association consists of 541 homes and 300+ apartments.

ADVISORY COMMITTEE MEMBERS

In addition to our Board Officers, we offer opportunities to become Advisory Committee Members. These are individuals who are serving as Committee leads for events, activities or other Board-established functions. If you are interested in becoming an Advisory Board Member, please email vice-chairperson@cherryhillna.org.

Help defray CNA expenses

All CNA events are **FREE**; however, donations of any amount are greatly appreciated and may be made electronically (scan QR code), at an event or to a Board member. Suggested range is \$5-10/family.

Monthly Adopt-a-Highway Clean-up

Cherryhill Neighborhood Association has the Caltrans Adopt-A-Highway permits for the four Highway 85/Fremont Ave on and off ramps. We do a monthly clean-up of the ramps, typically the first Saturday of every month. Volunteers gather just before 7am on Yorktown, near the Bernardo intersection to collect gear and prep. The cleanup usually takes about 1 hour to do all four ramps. If interested in joining a future clean-up, look for an announcement on Nextdoor (join the HWY 85/Fremont Ave Ramp Cleanup group <https://nextdoor.com/g/azszppcom/>), our Facebook page, or the Cherryhill Google group.

If environmental preservation, personal fulfillment, and/or pride in your surroundings motivates you, or if you simply enjoy community bonding and social interaction, consider joining us for a future clean-up!

We couldn't do it without our dedicated volunteers! A special shout out to some of our regulars including Kim Jelfs, Jim Sturtevant, Frank Hand, Cathleen Brennan, Josh Callman, Conrad Young, Andy & Leslie Mackenzie, Jeff Reitmier, Larry & Laurie Moore, Anouchka Gaillard, and Hannalore Dietrich.

Want to Share Seeds and Seedlings?

Inspired by the free seeds and seedlings in the Elderberry Pollinator Gardens project (created by Theresa Fremon/Barbara Grimes), we are mapping free seedling stations in Cherryhill. Similar to the signs that mark our Bee/Butterfly grant project gardens, the sticker below is available to neighbors who want to advertise they have seeds/seedlings to share. Interested? Please email Kathy Besser (khb@graystar.com).

Cherryhill Board 2026 Message

Dear Cherryhill Neighbors,

As we get 2026 started, I want to express my gratitude to all of you for keeping Cherryhill a fun and cohesive neighborhood! Keeping with our organized history, I want to thank those who have through the years volunteered their time and efforts to champion the events we have each year. Your participation keeps Cherryhill one of the very desirable neighborhoods in which to live!

I have lived in Cherryhill NA for 45+ years, and hope to remain here for many more. In order to sustain the quality of Cherryhill NA, I am continuing to focus our Board messaging to build sustainability by increasing volunteerism on committees and elected Board Officer opportunities, and increasing event attendance. See additional information throughout this newsletter on volunteer opportunities.

If you have the ability to get involved in preserving the quality of Cherryhill neighborhood, the Board would like to hear from you! You can email board@cherryhillna.org or contact me directly at 408-368-1645.

PROJECT DESCRIPTION:

This year's grant project is designed to broaden our communication channels within Cherryhill. Over the past year, we noticed a significant uptick in attendance at association meetings and events when standing signs were displayed around the neighborhood. With **2026 grant funds from the City of Sunnyvale**, we are investing in thirty A-Frame sign stands made from powder-coated steel rods as well as 30 sets of weatherproof, double-sided signs (printed at our local printer, Pine Press Printing!). The overall goal is to increase visibility for events within the association's boundaries by having one or more signs per street (hosted by block reps and appearing a week or so in advance). Each event sign will have a QR code linking to year-specific information (on our website) so they may be re-used year after year.

Having durable, re-usable signs appear before each event will hopefully reach new neighbors or those not on the Google Group email list. With this project, you might have noticed a bit of a makeover to our Cherryhill logo, website and this newsletter... we hope you like our fresh new look!

As you stroll around, be on the lookout for our new portable signs (example below). We hope to see you at CNA events and meetings throughout the year!

—Kathy Besser, 2026 Grant Leader

Our meeting/event signs will show up a week or two beforehand to give you advanced notice.

CHERRYHILL COMMITTEES AND PROGRAMS

To further our communication effort, we want to acquaint/reacquaint you with the committees and programs that keep Cherryhill neighborhood great! If you have interest in, and would like to volunteer, please let our leads know.

Block Representative Program

Do you know your Block Representative? Block Reps play an important role in keeping our neighborhood connected. They help share community updates, deliver newsletters and notices to neighbors who may not be online, welcome new residents, and bring block-level concerns or ideas to Cherryhill Neighborhood Association. Block Reps also help strengthen connections among neighbors and encourage participation in neighborhood events. You can find your Block Representative and their contact information on our website: <https://cherryhillna.org/about-us/block-reps/>. If you haven't yet connected with your Block Rep, we encourage you to reach out and introduce yourself.

We are currently looking for volunteers to serve as Block Representatives for several blocks, including:

- Blackberry Terrace (aka Creekwood Assoc. SV)
- Lime Drive (Ticonderoga to Yorktown, including Warwick Court)
- Mandarin Drive
- Maraschino Drive & Susquehanna Court
- Remington Drive (Bernardo to Lime—Except Church and School)
- Robin Way/Robin Court (Bernardo to Remington)
- Rockefeller Drive (Bernardo to Crandano Ct.)
- Ticonderoga (Mary to 1070 & 1083 Ticonderoga, including Huckleberry Court and Muscat Court)
- Valley Forge & Gooseberry Court

If you live on one of these blocks and would like to help keep neighbors informed and connected, we would love to hear from you.

Being a Block Rep is a simple but meaningful way to get involved in the community and meet your neighbors. If you are interested in volunteering or have any questions about the role, please contact me at blockrepscoord@cherryhillna.org.

—Bhavana Koka, Block Representative Coordinator

Senior Advocates Committee

This is a new committee established in 2025 as part of the City of Sunnyvale grant award for our "Blueprint for Seniors" project. Check out our new committee page on the Cherryhill website at <https://cherryhillna.org//cherryhill-committees/senior-advocates-committee/>.

Our key committee goal is getting connected with our senior and caregiver neighbors to offer useful resource information about local services to assist them with the challenges that come with coming into seniority or fulfilling a caregiver role. Any Cherryhill resident can contact the committee to request, for themselves or another, that a member contact the senior or caregiver to offer assistance and resource information. Please send an email to SeniorAdvocates@cherryhillna.org.

We have also established a **Little Lending Library** specifically for information of interest to seniors and caregivers. It is located in front of 1003 Yorktown Drive, at the corner of Lime Drive. Please come by and check out the many resources available to borrow (books, pamphlets, fliers, and DVDs)! You can relax on the bench provided to see what is available that might interest you. If you score a find, you are welcome to borrow the item to review in the comfort of your home. Our only ask is that you not keep items for such an extended time that it would keep other neighbors from benefitting from the offerings. We periodically add new books and information, so be sure to check back from time-to-time!

We are looking for volunteers to help with this committee. Please email us at the above email if you would like to be part of this committee and its activities.

—Cindy Spencer, Committee Lead

Crime & Traffic Committee

Did you know we have a committee to track crime and traffic issues in our neighborhood? Please be sure to contact the committee at Crime-Traffic@cherryhillna.org if you have concerns or want to make us aware of incidents in our neighborhood.

—Joann Rieke, Committee Lead

Grants Committee

Each year, we try to come up with a special community project and seek Block Grant funding from the City of Sunnyvale. If you have a project idea and would like to lead it, please contact Kathy Besser (khb@graystar.com).

Website Committee

Led by our Webmaster, Kathy Besser (webmaster@cherryhillna.org), this committee manages our website hosting and content.

Newsletter Committee
